

EAA Chapter 59 Scholarship Guidelines

EAA Chapter 59 is a 501(c)(3) non-profit aviation organization located in Waco, Texas. One purpose of the Chapter is to promote and encourage young people to enter into aviation fields through education and association with aviation related activities.

The purpose of the EAA Chapter 59 Scholarship is to encourage deserving aviation students to continue their aviation training to completion and continue their lifelong participation in EAA and aviation activities.

The Chapter will offer a \$1000 scholarship to a deserving aviation student applicant to support their continued aviation training activities.

Eligibility / Qualifications for the scholarship are as follows:

- United States Citizen
- Resident of Texas or a student attending a college in Texas
- Active student pilot having completed flight training through solo flight or
- Active student having completed one semester of a collegiate aviation program and maintained a minimum "B" grade average
- Member of the EAA, Inc.
- Member of a local EAA Chapter

All applications will be reviewed by the Scholarship Committee and the recipient will be notified of their selection. The scholarship recipient and their guests will be invited to the next Chapter 59 meeting to receive the award.

Scholarships will be granted at the sole discretion of EAA Chapter 59 and awards are not mandatory. EAA Chapter 59 will pursue what ever means necessary to retain the fund in the event of a default and any expense involved will be the responsibility of the awardee.

Please ensure you meet all the eligibility and qualification criteria prior to applying. The selected applicant will be required to substantiate eligibility prior to being awarded a scholarship.
